

Te Maru o Kaituna River Authority

Annual Activity Report for the 2021/22 year

Te Maru
o Kaituna

INTRODUCTION

[Te Maru o Kaituna River Authority](#) (TMoK) was established in 2014 as a co-governance entity in accordance with its enabling legislation, the Tapuika Claims Settlement Act 2014 (the Act). The Authority is made up of members drawn from both local government and Te Arawa iwi organisations, as defined in s118 of the Act.

Schedule 5 Clause 10 of the Act states that TMoK: “...must report to the appointing organisations after the end of each financial year.” The report must:

- (a) describe the activities of the Authority for the financial year it covers; and
- (b) explain how the activities relate to the Authority's purpose and functions.

This report is intended to fulfil those requirements in a brief and functional manner for the 1 July 2021 to 30 June 2022 period, building on the mahi outlined in last years Annual Activity Report. The Act requires appointing organisations with TMoK membership to review the performance of the Authority not later than one year after the Kaituna River Document is approved for the first time. Appointing organisations may make recommendations to the Authority. Schedule 5 Clause 11 of the Act specifies the scope of such reviews.

[Kaituna, he taonga tuku iho](#) – a treasure handed down (the Kaituna River Document) was approved 22 June 2018 and came into effect on 1 August 2018. [Te Tini a Tuna](#) (the Kaituna Action Plan) was approved in September 2019.

PURPOSE AND FUNCTIONS

TMoK's purpose, as defined in s115 of the Act, is:

- (1) *The purpose of the Authority is the restoration, protection, and enhancement of the environmental, cultural, and spiritual health and well-being of the Kaituna River.*
- (2) *In seeking to achieve its purpose, the Authority may have regard to the social and economic well-being of people and communities.*

TMoK's functions, as defined in s116 of the Act, are:

- (1) *The principal function of the Authority is to achieve its purpose.*
- (2) *In seeking to achieve its purpose, the other functions of the Authority are—*
 - (a) *to prepare and approve the Kaituna River document in accordance with sections 125 and 127:*
 - (b) *to monitor the implementation and effectiveness of the Kaituna River document:*
 - (c) *to support the integrated and collaborative management of the river:*
 - (d) *to work with the local authorities and Crown agencies that exercise functions in relation to the Kaituna River—*
 - (i) *to monitor the state of the river environment:*
 - (ii) *to monitor the effectiveness of the management of the river:*
 - (iii) *to engage with iwi in relation to their interests in the river and to consult them on how to manage the river:*
 - (e) *to provide advice and recommendations to local authorities—*
 - (i) *relating to projects, action, or research designed to restore, protect, or enhance the health and well-being of the river:*

- (ii) *on the appointment of commissioners to hear and decide applications for resource consents under the Resource Management Act 1991 that affect the river:*
- (f) *to facilitate the participation of iwi in the management of the river:*
- (g) *to monitor the extent to which the purpose of the Authority is being achieved, including the implementation and effectiveness of the Kaituna River document:*
- (h) *to gather information, to disseminate information, and to hold meetings:*
- (i) *to take any other action that the Authority considers is appropriate to achieve its purpose.*
- (3) *The Authority may seek to obtain funds to enable it to perform its functions.*
- (4) *To avoid doubt, except as provided for in subsection (2)(a), the Authority has discretion to determine in any particular circumstances—*
 - (a) *whether to perform any function specified in subsection (2); and*
 - (b) *how, and to what extent, any function specified in subsection (2) is performed.*

FINANCIAL PERFORMANCE

As part of its establishment, TMoK was provided a putea of \$250,000 by the Crown to fulfil its purpose and functions, particularly the preparation and approval of the Kaituna River Document.

Schedule 5 Clause 9(3) of the Act states that the Bay of Plenty Regional Council must, on behalf of the Authority,—

- (a) hold any funds belonging to the Authority; and
- (b) account for the funds in a separate and identifiable manner; and
- (c) spend the funds in accordance with any direction given by the Authority.

A summary of financial transactions for the period 1 July 2021 to 30 June 2022 is included below, in accordance with the budgeted items approved by TMoK for the 2021/22 financial year. In short, TMoK spent \$580 on a consultant to provide advice in relation to the AFFCO consent application, but had no other direct expenses that were not covered by another party. On the other hand, TMoK's account earned \$4,174.32 in interest, finishing the year \$3,594.32 better off than a year ago:

Bay of Plenty Regional Council covered the administrative costs for the four meetings and one workshop held for the period 1 July 2021 to 30 June 2022. Bay of Plenty Regional Council also contributed staff time (committee champion, programme coordinator, governance, water policy, Māori policy, communications and engagement as well as Western Bay of Plenty District Council, Tauranga City Council and Rotorua Lakes Council have also contributed staff time.
